

Types of Corporate Partners

We depend on partnerships, because we are better together. Local businesses and organizations make it possible for us to offer hope to our diverse community. The following are making a difference in measurable ways:

- Community Minded Companies
- Local Grocery Stores
- Churches
- Social Service Organizations
- Schools / Universities

Ways to Partner

We depend immensely on individuals who give out of their blessing and abundance. We find that many creative ways exist to help us reach out a helping hand to those in need.

- Volunteer Time - come help us
- Donate - Give resources creatively (ask about year end giving ideas)
- Connect - Introduce us to your organization or company as a service partner.

If you are interested in making a positive impact in our community through your partnership, please contact us today.

“Beautiful are the feet who bring good news...”

A Brief History

The need was apparent, so we had to help.

Pastor Odman Charles and his wife Marthe, moved to Bradenton in July 2010 and soon discovered that no church in his immediate community was helping the underprivileged in need. He soon put into motion a model for community interaction that he had begun in West Palm Beach. In these brief years, the program has expanded and is currently reaching in excess of 60 families every Thursday with the *Helping Hand Outreach* food pantry. They have distributed approximately 140,400 lbs. of food to needy families in Bradenton over that period.

The program needs to expand. We are praying that God supplies us with the following:

- The use of a warehouse
- The use of a truck with trailer, or a box truck
- An intern to develop an ESL program
- An intern outreach coordinator to connect with corporate partners
- A volunteer grant-writer

Mission:

Helping Hand Outreach works to alleviate the plight of the underprivileged and make them ultimately self-sufficient, using the resources of its food bank, local corporate sponsors, and social services programs.

Vision:

Helping Hand Outreach offers hope to the underprivileged, providing food, job training, language learning and other basic needs to the culturally diverse community in which we live.

Helping Hand Outreach

Offers hope to the underprivileged, providing food, job training, language learning and other basic needs to the culturally diverse community in which we live.

Helping Hand

Outreach
est. 2013

Bradenton * West Palm Beach

The values of Helping Hand Outreach run deep.... they inspire us to reach out to those who are less fortunate and offer a glimmer of hope.

People Matter

Everyone needs hope! We seek to infuse the hopeless with a glimmer of anticipation that the future may offer hope.

Diversity Celebrated

All cultures and backgrounds contribute unique perspectives to a better world. We can learn some wonderful things from each other.

We Are Better Together

Individuals and Corporate Partners all have a part to play in positively impacting our community.

Everyone Can Help

Volunteers of all backgrounds, ages, and abilities can impact someone in need.

In Partnership

As a joint effort with our corporate partners, and county-directed social programs, *Helping Hand Outreach* provides food and various other programs to a significant number of families in need every week.

The organization is faith-based social impact organization under the auspices of Tabernacle of Thanksgiving to the Lord, a church in Bradenton & West Palm Beach, Florida. As an independent organization it has been recognized as a 501(c)3 since 2012 by the Internal Revenue Service.

In Community

Some of the same needs exist both in West Palm Beach and in Bradenton alike. Poverty and disappointing circumstances are not limited by geography. People in need can be found in both places. As a result, *Helping Hand Outreach* seeks to bring hope to the despondent, a boost to those in need, and some humane assistance for the disenfranchised.

Will you join us to make an impact in our community? We are better together. Let's join hands and reach out a Helping Hand together.
